Dear Supervisors:

**TRAFFIC SIGNAL CONTROL SYSTEM  
CITY OF SAN DIMAS--COUNTY COOPERATIVE AGREEMENT  
(SUPERVISORIAL DISTRICT 5)  
(4 VOTES)**

**SUBJECT**

This action is to approve and authorize the Acting Director of Public Works or his designee to execute a Cooperative Agreement between the City of San Dimas and the County of Los Angeles to provide up to \$242,000 for the procurement of a traffic control system for the City by utilizing Los Angeles County Metropolitan Transportation Authority Grant Funds and matching County funds.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Acting as a responsible agency, find that this project is exempt from the provisions of the California Environmental Quality Act.
2. Adopt the resolution to find that the project to procure the traffic control system in the City of San Dimas is of general County interest and that County aid in the amount of \$242,000 should be extended to the City.
3. Approve and authorize the Acting Director of Public Works or his designee to sign the Cooperative Agreement between the City of San Dimas and the County of Los Angeles, which provides for the City to perform procurement services, installation, integration, contract administration, and all other work necessary to purchase a traffic control system for the City.

The agreement provides for the County to provide a not-to-exceed amount of \$242,000 toward the cost of the project by utilizing Los Angeles County Metropolitan Transportation Authority's Grant Funds and matching County funds.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this recommended action is to execute an agreement with the City of San Dimas to provide funds for the procurement of a traffic control system.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Service Excellence (Goal 1) and Community Services (Goal 6). The project will provide improved infrastructure and will enhance the quality of life in the affected communities.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund. The cost of the project is estimated to be \$242,000 and is included in the Fiscal Year 2008-09 Proposition C Local Return Fund budget.

The Los Angeles County Metropolitan Transportation Authority will reimburse \$213,087 of the project cost from the 1997 Call for Projects Proposition C Discretionary Grant Funds for the San Gabriel Valley Traffic Signal Forum. The remaining \$28,913 will be funded by the County's Proposition C Local Return revenue.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The attached agreement, which has been approved as to form by County Counsel, provides for the City of San Dimas to perform procurement services, installation, integration, contract administration, and all other work necessary to purchase a traffic control system within the City. The agreement establishes the County contribution to the City for actual expenditures not to exceed \$242,000 toward the cost of the project by utilizing the Los Angeles County Metropolitan Transportation Authority Grant Funds and other County funds. This agreement is authorized and provided for by the provisions of Sections 1680-1684 of the California Streets and Highways Code.

### **ENVIRONMENTAL DOCUMENTATION**

This project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15301(c) of the CEQA guidelines and Class 1(x), Subsections 4 and 5 of the Environmental Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions provide for installation and modification of traffic signal systems. The City of San Dimas is the lead agency for this project and will independently consider and reach its own conclusions regarding the environmental effects of the project.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no impact on current County services or projects during the performance of the recommended services, including implementation of the proposed system.

### **CONCLUSION**

Please return one adopted copy of this letter and the signed resolution to the Department of Public Works, Traffic and Lighting Division.

Respectfully submitted,

  
DEAN D. EFSTATHIOU  
Acting Director of Public Works
